

Ref: M1315 CAN CAMA - Country house to rehabilitate in Palamós

PALAMOS

750.000 €

DESCRIPTION

Catalan farmhouse dating from 1900, located in the town of Palamós, in one of the most emblematic places of the Costa Brava. The house has a total surface area of 650 square metres, and a land area of more than 2 hectares (22.700 square metres). The farmhouse preserves the most important features of a typical Catalan farmhouse, such as the wooden house and the Catalan vault. The walls are in good condition, but a complete renovation of the interior of the house is needed. Possibility of building a swimming pool outside. Due to its location, the farmhouse is also ideal for any rural business, for lovers of caves or any agricultural activity. At Corredor Mató we can design the interior and exterior spaces of the property, maximising natural resources and minimising energy costs. We have more than 40 years of experience in the construction and reconstruction of properties. We offer you all the services, from the preparation of the initial budgets, the coordination of the renovation to the delivery of the house so that you can start to enjoy it. We also have partnerships with the main banking institutions to be able to offer you the financing you need. Do not hesitate to contact us.
