DESCRIPTION

Regal corner property with lots of light. In the heart of the Sagrada Família neighbourhood, a few steps away from public transport, and very close to the Sagrada Família, Hospital de Sant Pau and Avinguda Gaudí. We access to the property through a large hall, where we find 2 bedrooms, one of them facing the courtyard and the other one facing the patio and both of them communicate with each other. In the corridor we find 2 bathrooms (one complete and one toilet), a kitchen and a third room that overlooks the patio. At the end of the corridor, we have a spacious living-dining room which faces the street and through which the sun rays can be seen as it is a corner property and there is no building in front of it. From the living room you can see the Sagrada Familia. The property has central heating and air conditioning. The building has a lift. The price includes two storage rooms in the building. The neighbourhood is very quiet and has all kinds of services around...public transport a few metres away, schools, sports and health centres, restaurants, shops, markets and libraries. Close to Avda Diagonal, Avda Gaudí and Paseo San Juan.
