DESCRIPTION

Beautiful and spacious townhouse in a quiet area, just 400 meters from the center of San Andreu de Lllaneres, one of the most elitist towns on Costa Barcelona Maresme, which is connected to Barcelona by AP 7 and C 32. Here we find all kinds of services and leisure activities which offers us the possibility to practice any of our favorite sports: sailing in Port Balis, tennis, paddle tennis and even golf. This Mediterranean-style townhouse is in perfect condition and it offers us the opportunity to enjoy a fantastic vacation and spend time with our friends and family. The house is located within a communal area with a swimming pool and it is distributed over three floors: On the main ground floor, we have a spacious and bright living-dining room with access to a pleasant private garden, a modern fully equipped kitchen with access to a sunny enclosed porch, and a guest bathroom. First floor offers us the night area with its three double bedrooms, one of them with access to the terrace overlooking the garden and another one master suite with access to the same terrace and a spacious bathroom with bathtub and shower, and also a bedroom with a trundle bed. On this same floor, we have another bathroom. On the second floor, there is a large and spacious hall with a pleasant seating area, study area, and bathroom with bathtub. From this zone there is an access to a sunny terrace. Air conditioning Capacity: 8 people
