DESCRIPTION

Completely renovated town house in the heart of Palafrugell. Initially built in 1930 and completely renovated in 2024, it has a total of 155 m² built and distributed over three levels. On the ground floor, the entrance hall leads us to a double bedroom, a kitchen open to the dining-living room area. A bathroom with a shower. Access to a large interior patio with barbecue and laundry area. The upper floor is made up of two large double bedrooms with en-suite bathrooms. The second floor is occupied by a large room with an en-suite bathroom and dressing area. Access to a balcony. The top floor is completed with a large 30 m² solarium terrace. South orientation. Completely new water, electricity and drainage installations. Heat pump and air conditioning in the four rooms and in the dining area. The house has a pre-installation of aerothermal energy with radiators as well as the possibility, for the future owner, of installing photovoltaic panels. In short, it is a great opportunity to acquire a house in Palafrugell located just 350 meters from the shopping center and the town market.
