DESCRIPTION

Enjoy a new-build single-family home specially designed to offer maximum comfort and well-being to its inhabitants. This property, located in a privileged area, becomes the ideal refuge for those seeking exclusivity, tranquility and a lifestyle connected to nature. Spaciousness and Luminosity in a Modern Design The house, with a total useful area of 273'91 m², is distributed over two floors: basement and ground floor. Its elongated design and the strategic arrangement of setbacks generate interior patios that provide natural light to all rooms, creating a spacious and welcoming atmosphere. Basement In the basement, we find a large garage with capacity for two vehicles (79.14 m²), accessible both from the street and from inside the house. The machine room (4.10 m²) and a practical warehouse (10.17 m²) are also located on this floor. An elevator connects the basement with the ground floor, offering greater comfort and accessibility. Low level The ground floor is configured in a herringbone "L" shape, separating the day area from the night area through an interior patio. The hall (8.47 m²) next to the patio leads to a large kitchen-dining-living room (65.43 m²) with an open layout that invites you to share moments with family or friends. A hallway (22.73 m²) connects the day area with the night area, where there are: Bedroom 5 (10.00 m²) with bathroom 4 (6.10 m²) Bedroom 4 (11.54 m²) with bathroom 3 (2.57 m²) Bedroom 3 (11.30 m²) Bedroom 2 (12.16 m²) with dressing room (3.68 m²) and bathroom 2 (3.43 m²) Bedroom 1 (20.23 m²) with bathroom 1 (2.86 m²) All rooms have large windows that offer exterior views and access to small private patios, creating a unique connection with nature.
