DESCRIPTION

A house where you can finally breathe (and live the way you want to) in Tagamanent. Yes, this house is for you if you're sick and tired of walls, heavy neighbours and endless traffic. Because here, in this detached house of 210 m² with its own plot of 395 m², the only thing you will hear when you wake up is silence. The good kind. The kind that heals. On the ground floor, a 37 m² living room with fireplace that cries out for evenings with a blanket and a film. A 17 m² eat-in kitchen with plenty of space for leisurely breakfasts. And yes, there is a toilet, laundry room, machine room and garage (no cars sleeping in the street). On the first floor: 3 bedrooms (2 doubles), bathroom and space for each member of the family to have their own corner. And on the top floor... the jackpot: Suite with private bathroom and terrace, plus a large multipurpose room under sloping wooden ceilings that make you forget that you are only 30 minutes away from Barcelona. Outside: garden with natural and artificial grass, barbecue and the perfect place to enjoy the smell of grilled meat on Sundays. Tagamanent: nature, peace and connection. 20 min from Grandollers. 25 minutes from Vic. And far from everyday stress. This house is not for everyone. It is for those who want freedom. Space. Air. And real life. If that sounds good to you, call before someone else does who also understood it.
