ARENYS DE MAR

1.180.000 €

DESCRIPTION

In Arenys de Mar, where the blue of the Mediterranean meets the green of the hills, stands this contemporary home with a simple promise: sea views from every corner. On the ground floor, the day area opens to a large kitchen connected to the dining room, with floor-to-ceiling windows that extend toward the garden, infinity pool, and barbecue area — perfect for gatherings with family and friends. A separate living room also overlooking the garden adds both privacy and space. This level also includes a guest toilet. The first floor features a large suite with sea views and two double bedrooms sharing a bathroom with sea views. The top floor is reserved for the master suite, a private retreat with breathtaking views of both sea and mountains — a perfect balance of blue and green. The garage, with natural light, accommodates two vehicles. A 345 m² home on an 835 m² plot, where luxury means light, design, and horizon. A home that looks out to the sea... from within.
