DESCRIPTION

Horizontes Infinitos is a diamond in the rough sculpted to become a dream retreat. Its triangular design symbolizes balance and harmony, capturing natural light and projecting it towards infinite sea and mountain views. This minimalist residence combines elegant lines and warm tones that blend with nature, creating a space of serenity and sophistication. More than a home, Horizontes Infinitos is a sanctuary of peace, where each sunrise and sunset envelops the home in an atmosphere of calm and plenitude. The triangular-shaped spaces and view to the horizon, create a contrast of lines, shapes, perspectives and unique panoramic views. Its design between its three floors: basement, ground and first, lead to a journey through different environments and spaces that evoke modernity, luxury and exclusivity. Horizontes Infinitos is a window to nature, that thin line that separates the green landscape from the infinite blue of the sea, the right balance between harmony, architecture and beauty. On the second floor we find four en-suite bedrooms, large windows with the best panoramic views of the infinite sea, with all the amenities necessary for a comforting rest. The first floor gives you access to the different spaces to share: the dining room, the kitchen, the fireplace, the pool area, as well as a living room and a large office area. For its part, the basement has four parking spaces and a multipurpose room so that it can be adapted according to your needs and your dreams. Each and every area of Horizontes Infinitos is an ode to modernism and comfort. Nature envelops this magnificent residence from the very first moment, starting with the pedestrian entrance through a charming access garden. This carefully designed space combines intense green hues with the delicacy of colorful and aromatic flowers, creating a
