DESCRIPTION

Can Pi is a unique architectural work that combines ancient and contemporary design, comfort, exclusivity and elegance. Its longitudinal layout allows each room to enjoy panoramic views of the natural surroundings and an abundance of light, with clean lines that integrate seamlessly with the landscape. The first floor of Can Pi has been designed to offer spaciousness, functionality and elegance, creating a perfect environment for comfort and conviviality. Upon entering, we find a spacious living room that invites you to relax and share special moments. The kitchen, connected to the dining room, combines design and practicality, and includes a large pantry that provides extra storage and organization, ideal for both day to day and for receiving guests. In addition, this exclusive farmhouse has a private wine cellar for wine lovers and a versatile family room, perfect to become a home cinema or any space you can imagine. The floor plan also features an en suite bedroom, as well as an elegant office with its own bathroom, offering an ideal balance between personal and professional life. A charming interior courtyard fills the home with natural light and creates a seamless connection between the indoor and outdoor spaces, providing a corner of calm where you can enjoy the outdoors without leaving the house. The second floor of Can Pi has been designed to maximize comfort and privacy, offering a perfect balance between spaciousness and functionality. Here we find five bedrooms, three of them en suite, providing intimate and exclusive spaces. The master suite stands out for its spaciousness, its elegant private bathroom with a contemporary design and a spacious dressing room that guarantees order and comfort. The other two bedrooms share a bathroom, providing a practical and harmonious solution for its occupants. In addition, this floor has a large gym, ideal for daily wellness, and a laundry room that
